

StreamVault — 2025/2026 Content Roadmap

Content Strategy Division | Strategic Planning | CONFIDENTIAL

Strategic Vision

StreamVault's 2025-2026 content strategy focuses on three pillars: (1) Franchise expansion of top-performing IP, (2) Genre diversification to reduce comedy vulnerability, (3) International co-productions targeting non-English speaking markets. Total content investment budget for this period is \$180M.

Greenlit Projects

Title	Genre	Budget	Target Release	Status
Stellar Run 2	Sci-Fi	\$45M	Q3 2026	Greenlit
Dark Orbit: Origins	Sci-Fi	\$38M	Q1 2026	Pre-production
The Comedy Fix	Comedy	\$12M	Q4 2025	Development
Mumbai Nights	Drama	\$18M	Q2 2026	Scripting
Echo Chamber 2	Thriller	\$28M	Q4 2026	Concept

Genre Investment Allocation

Sci-Fi receives the largest allocation (35% of budget) reflecting its 47% growth trend. Drama follows at 25%, targeting the underserved 35-55 demographic. Comedy receives increased investment at 15% (up from 8%) to address genre weakness. Action at 15%, Horror at 5%, Documentary at 5%.

Leadership Recommendations

Based on Q1 performance data and competitive analysis, leadership should prioritize: (1) Immediate greenlight of Stellar Run 2 to capitalize on franchise momentum before competitor sci-fi releases in Q4 2025. (2) Invest \$20M in comedy talent acquisition from established streaming platforms. (3) Launch regional content initiative in Mumbai and Toronto as high-growth markets. (4) Implement data-driven thumbnail optimization across all titles — projected 15% improvement in CTR.
